

# TOKYO WATERFRONT

**P** Kawasaki factories at night

## Tokyo waterfront sightseeing route

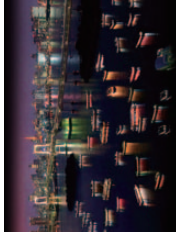

### Water bus

Cruising along the sightseeing spots on Tokyo Bay and Sumida River, visitors can enjoy views of the Rainbow Bridge and Tokyo Sky Tree.

## Boats for enjoying Tokyo Bay

### Yakatabune pleasure boat

### Cruise boat

### Restaurant cruise ship

### Water taxi

Waterfronts are valuable areas creating scenic cityscapes and making city life more fulfilling and relaxing.

The Tokyo waterfront is being revitalized by introducing boats for cruising and ferrying, building esplanades, and holding illumination events, to connect local resources and enhance the draw of the area.
